

ENG 111: End-of-Semester Checklist

To help you through the process of completing your end-of-semester requirements, I have compiled the checklist that follows.

1. Make sure that (1) your introductory post, (2) your revised literacy narrative, (3) your revised analysis of *Maus*, and (4) your revised reflection remain published on your blog until final grades are posted in WebAdvisor on Monday, May 10. Also make sure that you have deleted all placeholders/sample posts from your blog.
2. Complete the ENG 111 Post-Assessment no later than Friday, May 7. Scroll down your Moodle site to the course labeled ENG 111 Assessment (Spring 2021) to locate the post-assessment: <https://online.gtcc.edu/course/view.php?id=41202>.
3. If you have worked one on one with our embedded tutor, Catherine Titus, please respond to the embedded tutor survey, <https://baseline.campuslabs.com/gtcc/embeddedstudent>, no later than May 12. I have not included a link to course evaluations here because the evaluation site closed on May 2. I hope that you evaluated ENG 111 as well as your other courses.
4. Register for summer and/or fall courses at GTCC: <https://www.gtcc.edu/admissions-and-aid/register-for-classes.php>.
